## **Settlement assistance for new NZ Police recruits**

Congratulations on your decision to take up the offer of joining the NZ Police Force and moving to New Zealand.

This is an exciting time for you, however we appreciate that you must have some concerns about finding a home, schooling for your children and ensuring that everyone is happy and feels settled.

We would like to offer our assistance with your initial settlement in New Zealand and have therefore put together a special price for our information guides on NZ and cities and a half day orientation. We are also available to you 7 days a week to answer any queries you may have.
